The Fund returned +0.80% in June vs. -0.75% for the TSX Total Return.

It was an active month for the fund as a number of deals closed in both the Subscription Receipt and traditional Merger Arbitrage portions of the portfolio.

One of the longer time-framed sub receipt trades closed during the month as Parkland Fuel Corporation (PKI.TSX) completed its purchase of the majority of the Canadian assets of CST Brands from Couche-Tard. Additionally, Capital Power Corporation (CPX.TSX) completed their acquisition of Decatur Power Holdings in June. The company had issued \$183 million worth of sub receipts to partially finance their purchase of Decatur back in April.

On the Merger Arb front, Canadian financial technology provider DH Corp. (formerly Davis + Henderson) was purchased by Texas-based Vista Equity Partners. DH has close to 8,000 customers, including Canada's five biggest lenders and more than half of the world's 50 largest banks. At a total consideration of C\$4.8 billion, this deal was the largest takeover of a Canadian company by a foreign firm since December 2014.
